

Madeira Collection NR 6

The Madeira Collection No. 6 is a blend made exclusively from Tinta Negra Mole. Completing the collection, this wine represents "the old style," incorporating very old wines from the Barbeito family's demijohns. The Barbeito family's old MBV wines (private bottlings) serve as the stylistic benchmark for No. 6. With a highly distinctive aromatic profile and immense length, the wine clearly reflects that traditional style combined with the energy of younger Tinta Negra. The blend has an average age of approximately 30 years.
