3B rosé Bruto

Bairrada was the first region in Portugal to produce sparkling wine. The Atlantic influence and chalky clay soil are crucial to the freshness and minerality of the 'espumante'. e leveren.

Feestelijke Rosé bubbels die uitermate geschikt zijn als aperitief en het goed doen bij schaal -en schelpdieren!

Producer	Filipa Pato
Region	Espumante
Volume	75.0 cl.
Grape Variety	70% Baga, 30% Bical
Drinking window	2025-2027
Alc.	11.0%
Vinificatie	Baga fermented in used casks and Bical fermented in stainless steel with temperature control under 18°C. Second fermentation in bottle (méthode traditionnelle).
Rijping	The grapes are harvested by hand after they are pressed gently in vacuum frame. After decanting the wine ferments with indigenous yeasts in cask of 650 liters and stainless steel vats at temperatures below 16 ° C.
