

Drink Me - Vinho Verde 2025, Nat' Cool Series

Everyone today talks about the new hype Pet Nat, but in Vinho Verde wine has been made this way since time immemorial. Bottle refermentation produces a beautifully fresh wine with a slight pearlescence.

Producer	Niepoort
Region	Vinho Verde
Volume	100.0 cl.
Grape Variety	blend of indigenous varieties
Drinking window	2026-2029
Alc.	11.5%
Vinificatie	in inox with rapid bottling even before the end of fermentation; as a result, the wine begins to re-ferment in bottle and develops a fine sparkle.
Rijping	six months in bottle to give the wine a chance to develop its pearlescence.
