

Manoella Branco 2024

Manoella is Jorge and Sandra's second estate, situated slightly higher than the Pintas vineyard. Here too, the couple produces intensely flavoured Douro wines. Manoella white comes from a 55-year-old vineyard planted with Gouveio, Viosinho, Rabigato and Códaga do Larinho on a northern slope with granite soil. It produces a fresh but above all soft white wine with a tendency towards chardonnay-like plumpness.
