

Blandy's Sercial 1968

1968: the crew of Apollo 8 became the first humans to orbit the Moon, photographing Earth from space. A Madeira from this vintage is a living piece of history — a wine that has been ageing for generations, owing its character to decades of patient cask maturation.

Vintage Madeira 1968, made from the Sercial grape. An authentic, traditionally aged Madeira in the dry style, with the depth and complexity that only decades of cask ageing can bring.
