

## Intensus branco 2020

Rui Reguinga was born into a family of winemakers and absolutely wanted to follow in their footsteps. He graduated as an oenologist in the late 1980s and immediately made his first wines in the Alentejo. He quickly became a respected oenologist and today makes wines for numerous clients in various Portuguese regions. In 2004, he bought his own vineyard and turned out to be so much more than the highly trained oenologist that everyone in the wine world saw in him. The wine has a citrine yellow colour, a fresh fruit aroma, harmonious palate and a fresh mineral finish.
