

Drink Me - Vinho Verde 2022

Everyone today talks about the new hype Pet Nat, but in Vinho Verde wine has been made this way since time immemorial. Bottle refermentation produces a beautifully fresh wine with a slight pearlescence.

Producer	Niepoort
Region	Vinho Verde
Volume	100.0 cl.
Grape Variety	blend of indigenous varieties
Drinking window	2024-2027
Alc.	11.5%
Vinificatie	in inox with rapid bottling even before the end of fermentation; as a result, the wine begins to re-ferment in bottle and develops a fine sparkle.
Rijping	six months in bottle to give the wine a chance to develop its pearlescence.
