

Guru 2023

Wine and Soul was founded in 2001 by Sandra Tavares da Silva and Jorge Serôdio Borges, both winemakers and couple, who invested and acquired old vineyards and properties in the Pinhão Valley in Cima Corgo. "Our aim is to create wines that express all the character of the traditional vineyards and grape varieties of the Douro Valley. Wines balanced between concentration, complexity and elegance". The nose is marked by a stony minerality and green fruits such as lime and kiwi. There are also hints of grapefruit, orange peel and lemon, as well as notes of stone fruits and delicate pastry with a touch of vanilla. The palate is a bit bitter, which gives support and freshness to this very lively yet soft, silky and flattering wine. The finish has aromas of mandarin, mint, rock flour and citrus fruits, with a nice balance and a long fresh aftertaste.
