

Intus Tinto 2022

Through unique characteristics in its terroir, Vidigueira is synonymous of wine. With big temperature amplitude between day and night, the protection of Serra do Mendro promotes the maintenance of morning humidity in the vineyards. From old vineyard Trincadeira and Aragonez grapes. This is a wine with fresh fruit, crisp acidity and lightness of body. Open color, with a beautiful ruby red. Pure aroma of red fruits, where cherry stands out. In the mouth, its lightness and fresh acidity give context to a bright and delicate texture, with juicy and delicate tannins it's ready for immediate consumption.

Producer	Natus Vini
Region	Alentejo
Volume	75.0 cl.
