

Marinho Dude 2021

The grapes for this character rosé come from a 50-year-old vineyard in Olho Marinho, a small village in the dunes between Peniche and Obidos. only 96 bottles for Belgium

Producer	Luis Gil
Region	Lisboa
Volume	75.0 cl.
Grape Variety	Castelão
Drinking window	2025-2029
Alc.	11.0%
Vinificatie	The juice did a fermentation with clusters from white grapes during 10 days
Rijping	23 months (!!!) in aged barrels, resulting in a rosé that far exceeds the standard of rosé. Finally bottled in 2023, using only gravity (not siphoning the wine with a pump minimizes the "shock" at bottling; admittedly, for the winemaker, this method is not the most practical).
