

Muros de Melgaço 2023

Coming from vineyards located on south-facing hills and are produced exclusively in Melgaço, the grapes provide high maturation as well as high acidity levels. This complex and exuberant wine ferments and matures for 6 months in 225L French oak barrels. Muros de Melgaço was the first wine and during these 25 years this wine has made its journey to excellence and elegance. The nose is marked by minerality and citrus notes. In the mouth it is persistent and structured, but the juiciness it presents with the acidity makes it elegant. Light vanilla offers creaminess.
