

Soalheiro Allo 2021

Elaborated by one of the best winemakers of the region, Luis Cedeira, Soalheiro (sunny place) is a family estate established in the region since 1974 and the 3rd generation. It works in organic agriculture on a granite soil. This Allo cuvée takes the first 2 initials of the 2 grape varieties that make it up, Alvarinho and Loureiro. The Alvarinho brings the mineral and fruity side to the more floral side of the Loureiro. On the nose, slightly exotic aromas of pear...in the mouth, lively and very greedy. Great accessibility and "drinkability", fresh and salivating finish!
