

Madeira Collection NR 4

The apero one. A blend of mainly vedelho and sercial with a very dry tinta negra to approach the lightness of a rainwater/ This nr.4 replicates the classic rainwater which is a very light madeira showing citrus and fruity aromas.

| Alc. | 20.0% |
| Vinificatie | - |

Rijping The MC 1234 is a project created by the madeira collection to lower the entrylevel on madeira wines by giving the wines less oxidation. We try to do that to blend young wines +/- 10 y old of different grape varietals with lots of fruit and good freshness. The project goal is to bring a different style from what exist in the general offer of Madeirawines.
