

Ontdekkingspakket Portugal wit (box 6 flessen)

After 25 years of tasting everything Portugal has to offer, we dare to conclude: the country makes very nice red wines, but is perhaps even better when it comes to white wine. Despite the relatively small production, the variety and quality is enormous. In this package we collect 6 classics from our range that demonstrate this very well. In this package: 1 bottle of Soalheiro Granit 2024, Vinho Verde 1 bottle of Terrenus 2022, Alentejo 1 bottle of Meandro 2023, Douro 1 bottle of Dinamica Bical 2023, Bairrada 1 bottle of Saes Reserva branco 2023, Dão 1 bottle of Quinta da Murta 2023, Lisboa The catalog value is EUR 98.93 but we now offer the package for EUR 89,04 incl. shipping
